

**ST. MATTHEW PARISH
ADDENDUM TO JUNE 17, 2008
FINANCE COMMITTEE MEETING MINUTES**

Old Business

At the last meeting of the Finance Committee on June 17, 2008, the Committee considered a request from the school principal, Julianna Barber, to hire an aide for the K-4 program for approximately ten hours per week at a cost of approximately \$4,000 per year. The Committee discussed the request, but tabled it for further discussion at the August meeting due to a lack of specific information necessary to make a reasoned decision. On August 13, Committee members were made aware that an immediate decision needed to be made. K-4 enrollment is already at the 22 student maximum authorized by the Board of Education, a waiting list is building, and the parents of those children need to know if their children will be accepted into the program. The Committee has been informed that the additional revenue from adding more students will more than cover the estimated expense of \$4,565 for hiring an aide. Via e-mail, the Committee discussed the matter on August 13-14, and unanimously approved the expenditure for the hiring of an aide for the K-4 program consistent with the above mentioned details.

Next Meeting: Tuesday, August 19, 2008
